

AGENDA

CITY OF MONONA
PUBLIC WORKS COMMITTEE
City Hall Conference Room
WEDNESDAY, May 2, 2012
6:30 P.M.

1. Call To Order
2. Roll Call
3. Approval of Minutes from April 4, 2012
4. Appearances
5. Old Business - none
6. New Business
 - A. 3837 Monona Drive, On The Lake Condominium Association – consideration of appeal and variance request to current City Ordinance regarding the elimination of curbside collection of garbage and recyclables.
 - B. 3905 Lakeside Terrace Condominium Association – consideration of appeal and variance request to current City Ordinance regarding the elimination of curbside collection of garbage and recyclables.
 - C. Consider replacing Yield sign with Stop sign on Bridge Rd. at Panther Trail intersection.
7. Miscellaneous Business
 - A. 2012 Equipment Purchases – For information purposes only, staff update on 2012 capital purchases as approved in the 2012 Capital Budget (truck chassis up-fit – dump body, front and wing plow, salting and ice control equipment and two lawn mower replacements).
 - B. Public Works Operations Report
 - C. Questions or topics for future discussion
8. Next Scheduled Meeting: Wednesday, June 6, 2012.
9. Adjournment

NOTE: Upon reasonable notice, the City of Monona will accommodate the needs of disabled individuals through auxiliary aids or services. For additional information or to request this service, contact Joan Andrusz at (608) 222-2525 (not a TDD telephone number), FAX (608) 222-9225, or through the City Police Department TDD telephone number 222-2535. The public is notified that any final action taken at a previous meeting may be reconsidered pursuant to the City of Monona ordinances. A suspension of the rules may allow for final action to be taken on an item of New Business. It is possible that members of and a possible quorum of members of other governmental bodies of the municipality may be in attendance at the above stated meeting to gather information or speak about a subject, over which they have decision-making responsibility. No action will be taken by any governmental body at the above stated meeting other than the governmental body specifically referred to above in this notice.

PUBLIC WORKS COMMITTEE

April 4, 2012

Draft Minutes

The regular monthly meeting of the Public Works Committee for the City of Monona was called to order at 6:37 p.m. by Co-Chairman Wiswell.

Present: Alderman Wiswell, Mr. McConnell, Mr. Stolper, Mr. Franklin, Mr. Besch, Mr. Turino, Mr. Podell

Excused: Ald. Kugle, Ms. Busse

Also Present: Administrator Marsh, DPW Director Stephany

APPROVAL OF MINUTES

An amendment was required to the draft minutes in paragraph 6B to reflect the motion to reconvene into open session as seconded by Mr. Turino; paragraph 6C motion by Mr. McConnell and seconded by Mr. Podell; and at adjournment a motion seconded by Mr. Turino.

A motion by Mr. Turino, seconded by Mr. McConnell to approve the Public Works Committee minutes of March 7, 2012 as amended, was carried.

APPEARANCES

Allyn Davenport, 3905 Monona Drive, and Catherine Lamb, 3837 Monona Drive, appeared to request a variance to Chapter 3, Section 8 of the Monona City Code requiring multi-family complexes greater than eight units to privately obtain solid waste and recycle collection services separate from the City's curbside program.

OLD BUSINESS

None

NEW BUSINESS

6A: Walk-up garbage and recycle collection service – Director Stephany informed the committee of a walk-up cart placement service provided by Veolia Environmental. Veolia brought this program to our attention, as this service was requested by a Monona resident. Veolia is seeking approval to provide this service in Monona at no cost to the City. To reduce liability, all residents seeking this service would need the signature of their physician to participate.

A motion by Mr. Turino, seconded by Mr. Stolper to recommend approval for allowing Veolia to begin the service within the City, was carried.

7A: 2012 equipment purchase review – Director Stephany presented for review the pickup truck replacement bid price and the snow plow truck chassis bid price as received through the State of Wisconsin purchasing program, and the Iowa County purchasing program. The truck chassis would be purchased through Capital City International of Madison for \$79,101.34, and the pickup truck would be purchased through Ewald Automotive Group of Oconomowoc for \$18,899.

Mr. Podell, after reviewing the truck chassis specifications recommended adding the heated windshield. Mr. Podell stated that he feels we did not receive the best price for this chassis.

7B: No update to the submitted written report.

NEXT SCHEDULED MEETING: Wednesday, May 2, 2012.

ADJOURNMENT

A motion was made by Mr. Podell, seconded by Mr. Turino to adjourn was carried (7:27pm).

Daniel Stephany
Director of Public Works

DRAFT

Chapter 3

Solid Waste Disposal and Recycling

8-3-1	Purpose
8-3-2	Refuse Collection
8-3-3	Recycling
8-3-4	Special Charge for Collection of Large or Heavy Items of Trash or Debris
8-3-5	Yard Waste and Brush Disposal
8-3-6	Municipal Leaf Collection Program
8-3-7	Nondisposable Materials
8-3-8	Hospital/Medical Wastes
8-3-9	Refuse from Outside City
8-3-10	Garbage Accumulation; When a Nuisance
8-3-11	Federal and State Regulations
8-3-12	Penalties

Sec. 8-3-1 Purpose.

- (a) The purpose of this Chapter shall be to maintain and protect public health and sanitation by removal of garbage, rubbish, and other waste material generated in the City of Monona, to eliminate dispersal of garbage, waste, and other waste material along the streets, roads, and other public and private properties in and near the City of Monona, and to provide a comprehensive City recycling program.
- (b) The City of Monona finds participation in a mandatory source separation recycling program appropriate in this jurisdiction to conserve available, local landfill capacity. The City further finds it appropriate to participate in both county-wide and state-wide recycling programs to conserve energy, recycle valuable resources, and protect public health, welfare and the environment. ~~The City also finds participation in these programs appropriate to achieve consistency with county-wide recycling policies to ensure that the City will be able to use the county-owned landfill and the county material recycling facility.~~

Sec. 8-3-2 Refuse Collection.

- (a) **Administration.** The weekly collection of solid waste shall be administered by the Director of Public Works.
- (b) **Containers-Residential.**
 - (1) The owner or occupant of each residence shall provide suitable containers or waterproof bags in which to store garbage in a safe manner.
 - (2) Containers shall not exceed thirty (30) gallons, and shall have handles.
 - (3) Containers, with contents, shall not exceed forty-five (45) pounds in weight. Fifty-five (55) gallon drums (or equivalent) will not be emptied regardless of contents or weight.
 - (4) Plastic bags shall be tied securely and shall not exceed in weight what they can safely hold without breaking or tearing when picked up.
 - (5) Food waste shall be drained and wrapped before being placed in containers or bags.
- (c) **Commercial and Multi-Family Establishments.**
 - (1) City collection from commercial establishments will be limited to six (6) thirty (30) gallon cans or thirty (30) cubic feet.
 - (2) ~~Effective January 1, 1995, the City or its authorized collectors shall not provide refuse collection services to multi-family properties with nine (9) or more residential units. Effective January 1, 1996, the City or its authorized collectors shall not provide refuse collection services to~~

- commercial properties and/or commercial/residential structures. Therefore, effective January 1, 1996, the City or its authorized collectors shall provide refuse collection services only to residential properties and multi-family properties with eight (8) or less residential units.
- (d) **Condominiums.** Each condominium association in the City shall be responsible for establishing compliance with this Chapter by the owner of each condominium unit, and shall submit its plan for compliance to the City for approval and shall submit for approval of the City any changes in such plan. Each condominium unit shall be treated the same as a single residential dwelling or the entire condominium shall be treated for such purposes as a multi-family dwelling. In approving such a plan, the City shall consider which plan under the circumstances would better promote the purpose of this Chapter.
- (e) **Limitations on Placement.**
- (1) Containers shall be placed at curb edge by 7:00 a.m. on the scheduled collection day. No containers shall be placed at curb edge prior to twelve (12) hours of the collection day and shall be removed within twenty-four (24) hours after collection. During winter months, refuse shall not be placed on top of snow banks, nor shall it be placed in the roadway. The owner shall either shovel out an area behind the street edge in which to place his wastes or he shall place it in his driveway. Collection crews will not collect residential solid waste unless it is placed at the curb of a public street. Residential units shall bring their solid waste to the terrace adjacent to the street curb for collection. City employees or employees of licensed collectors will not enter any structures to remove refuse, except by written agreement with the property owner.
 - (2) Containers shall be placed as close to the edge of the street as practicable.
- (f) **Lawn Wastes.** Lawn wastes (grass clippings, leaves and garden debris) will not be collected. Residents are encouraged to compost these items. These items may also be placed in containers located at the City Public Works Garage (851 Femrite Drive). Lawn waste must be removed from bags and no brush or garbage are allowed in the drop-off containers.

Sec. 8-3-3 Recycling.

- (a) **Definitions.** The following definitions shall be applicable in this Section:
- (1) **Building Waste.** All demolition waste resulting from remodeling, construction, or removal of a building, roadway or sidewalk, such waste to be disposed of by the owner, builder or contractor.
 - (2) **City.** The City of Monona and/or its designated authorized collector.
 - (3) **Collector.** The person or persons specifically authorized by the Common Council to collect garbage, rubbish and recyclable material and dispose of the same.
 - (4) **Garbage.** All organic kitchen waste that attends the storage, preparation, use, cooking and serving of food.
 - (5) **Glass.** Glass bottles, jars and containers and does not include window glass, pyrex, light bulbs or other non-container glass.
 - (6) **Hazardous Waste or Hazardous Substance.** Those wastes or substances defined in Ch. NR 181, Wis. Adm. Code (including all amendments provided thereto) and also those solid wastes or substances found in household waste [notwithstanding the household waste exclusion provided in Sec. NR 181.12(4)(a), Wis. Adm. Code.]
 - (7) **Household Sharp Medical Waste.** Any type of product capable of puncturing or lacerating the skin that is designed or used to treat, diagnose, or prevent a disease or medical condition, including, but not limited to, scalpels and hypodermic needles.
 - (8) **Lead-Acid Battery.** Automotive and related batteries that are composed of lead plates with an acid electrolyte which is designated as a recyclable, but does not include nickel-cadmium batteries, dry cell (flashlight) batteries or batteries used in calculators, watches, hearing aids or similar devices.
 - (9) **Newspapers.** Matter printed on newsprint including daily or weekly publications and advertising circulars, whether delivered separately or accompanying newspapers, normally delivered or mailed to a household or business for dissemination or public information, but excluding books, magazines, catalogs or similar publications.

- (10) **Non-Recyclable Material.** All pyrex glass, window glass, light bulbs, mirrors, broken glass and china, all polystyrene foam, and melamine type plastics, all waxed paper, waxed cardboard, garbage, and rubbish, telephone directories, etc., not defined as recyclable materials.
- (11) **Plastic.** A rigid or semi-rigid container made of high-density polyethylene (HDPE) or polyethylene terephthalate (PET) which is coded with a Society of the Plastics Industry code one (1) or two (2).
- (12) **Recyclable Material.** Newspapers; brown, green and white container glass; aluminum, tin or bi-metal cans and lids; plastic containers; corrugated cardboard.
- (13) **Rubbish.** All useless waste.
- (14) **Sharps Container.** A container specifically manufactured for the disposal of sharp medical waste.
- (15) **Solid Waste.** All garbage and rubbish as herein defined.
- (b) **Applicability.** This Section shall be applied to all persons and/or entities, however organized, within the City of Monona.
- (c) **Prohibited Recyclable Material Disposal.** No person shall:
 - (1) Mix or permit the mixing of recyclable material with non-recyclable material intended for collection by the City or its authorized collector or a third party.
 - (2) Deposit or cause to be deposited any recyclable material at any authorized collection site while the site is closed.
 - (3) Deposit or cause to be deposited any lead-acid battery in any container designated for the collection of recyclable or non-recyclable material, or place out for collection by the City, or its authorized collector or a third party.
 - (4) Deposit or cause to be deposited any recyclable material in or upon any public street, water, or grounds in the City of Monona except for specified collection periods.
 - (5) Deposit or cause to be deposited any recyclable material in any container not specifically intended for the collection of recyclable material.
 - (6) Deposit or cause to be deposited any non-recyclable material in any container specifically intended for the collection or deposit of recyclable material.
 - (7) Place refuse, garbage, or debris on the property of another or on public property without permission.
- (d) **Residential Separation.**
 - (1) Effective July 1, 1990, all owners or occupants of single family, two-family, condominium, or multi-family [units up to a total of four (4) units in size] dwellings shall comply with all procedures adopted by the City for the separation of recyclable materials and shall further utilize the containers designated by the City or its designee.
 - (2) Residents not receiving solid waste collection service from the City or its authorized collector shall provide adequate separate containers for the collection and disposal of recyclable material.
- (e) ~~Multi-Family Residential Separation.~~
 - (1) ~~For the purpose of this Subsection, "multi-family dwelling" means a dwelling intended to be the residence of five (5) or more families.~~
 - (2) ~~On and after July 1, 1990, all owners of multi-family dwellings shall provide at the owner's expense, adequate separate containers of a type approved by the City for the collection and disposal of recyclable material.~~
- (f) **Commercial Separation.**
 - (1) Owners or occupants of commercial, retail, industrial and governmental facilities shall provide, at the owner's expense, adequate separate containers for the collection and disposal of recyclable material.
 - (2) Owners or occupants of commercial, retail, industrial and governmental facilities served by the City or its authorized collector will provide containers, at the owner's expense, of a type approved by the City and its authorized collector.
- (g) **Notification Required.**
 - (1) Owners of two (2), three (3), and four (4) family dwellings and all multi-family dwellings shall notify all tenants on move-in, and on a semi-annual basis thereafter, of City and county recycling requirements.

- (2) Owners of commercial, retail, industrial and governmental facilities will notify all users, including employees, agents and customers, on a regular basis, of City and county recycling requirements.
- (h) ~~City Provided Services. Effective January 1, 1996, the City or its authorized collectors shall provide recycling services only to residential properties and multi-family properties with eight (8) or less residential units.~~

Sec. 8-3-4 Special Charge for Collection of White Goods.

- (a) **Program Authorized.** The City authorizes the Public Works Department to pick up, on request, white goods and to charge the requesting parties fees to cover the cost of such service.
- (b) **Program Operating Procedures.** Persons wishing to have white goods picked up must call the City Hall in advance to arrange for such service. Large or heavy items are items that are not eligible for pickup in regular refuse and garbage collection operations. White goods include, but are not limited to, the following items:
- (1) Washing machines.
 - (2) Refrigerators.
 - (3) Stoves.
 - (4) Water heaters.
 - (5) Water softeners.
 - (6) Freezers.
 - (7) Trash compactors.
 - (8) Dryers.
 - (9) Dishwashers.
 - (10) Furnaces.
 - (11) Air conditioners.
 - (12) Humidifiers.
 - (13) Dehumidifiers.
 - (14) Microwaves.
- (c) **Billing and Collection.**
- (1) Persons requesting and receiving white goods collection service will be billed in accordance with the current Common Council approved version of the Public Works Special Services Fee Schedule for each item collected for Subsections (b)(1) through (14).
 - (2) Delinquent accounts shall be assessed interest at the rate of one and one-half percent (1-1/2%) per month.
 - (3) Invoices remaining unpaid on October 30th will be extended on the tax roll as a special assessment for current services as provided in Sec. 66.60(16), Wis. Stats.
- (d) **Improper Placement.** White goods may not be placed on the curb without making collection arrangements in advance. Items remaining at curbside for an extended period will be collected and the resident will be billed for a special white goods collection.

Sec. 8-3-5 Yard Waste and Brush Disposal.

- (a) **Definitions.** The following definitions shall be applicable herein:
- (1) **Yard Waste.** Leaves, grass clippings, yard and garden debris, including clean woody vegetative material no greater than one-half (1/2) inches in diameter.
 - (2) **Solid Waste.** Garbage, refuse, and all other discarded or salvable solid materials, including solid waste materials resulting from industrial, commercial and agricultural operations, and from domestic use and public service facilities, but does not include solids or dissolved materials in wastewater effluent or other water pollutants.
 - (3) **Brush.** Clean woody vegetative material no greater than six (6) inches in diameter and holiday trees. This item shall not include stumps, roots, or shrubs with intact root balls.

On The Lake Condominium Association
3837 Monona Drive
Monona, WI 53716

Dear Ms. Becker,

I am writing this letter to you as the contact of record for the On the Lake Condominium Association. I was recently made aware that the condominium units at this address are receiving curbside solid waste and recyclable materials collection services through the City's contract with Veolia Environmental Services.

Per the Monona Code of Ordinances section 8-3-2(c) (2), refuse collection services are provided to residential properties and multi-family properties with eight (8) or less residential units. Property information obtained from the Access Dane database indicates there are nine (9) condominium units at this location. Based on this information, I regret to inform you that the units of On the Lake Condominiums will no longer be receiving solid waste and recyclables materials collection through the City's service contract. The association or units will be responsible for contracting these services with a contractor of your choice, separate from the City's contract, unless a document can be provided to us indicating an agreement for these services.

The City will continue to provide you service through the City's contract until Wednesday, February 29, 2012. The recycling carts will be collected after your last curbside recyclable materials collection in the month of February.

If you are no longer the representative for the association can you kindly pass this letter on to the appropriate contact, or please contact me with this information. I would like to thank you in advance for your cooperation with this matter. Should you have questions or wish to discuss this letter please feel free to call me at (608) 222-2525.

Sincerely,

A handwritten signature in cursive script that reads "Daniel J. Stephany".

Mr. Dennis Kugle, Chair
Public Works Committee
City of Monona
5211 Schluter Rd.
Monona, WI 53716

March 18, 2012

Dear Sir:

I am writing to appeal the City of Monona's decision to discontinue city-sponsored pick-up of refuse (recycling and trash) at 3837 On The Lake. As we understand it, if a condominium group has 9 or more units, it is excluded from city-sponsored refuse pick-up.

3837 On The Lake is a condominium association established in 1985. We have 9 units built in the style of attached townhouses. There is no common entrance or common living space.

On behalf of the 3837 On The Lake Condominium Association, I am appealing on the following basis:

1. The condominiums have had city-sponsored refuse pick-up since 1985;
2. Due to the layout of the units, there is no suitable location for a dumpster. As it is, there are only 3 guest parking spaces for 9 units;
3. Approximately 4 years ago, the previous city administrator waived the "nine or more" requirement for our units; and
4. Our 9 units pay over \$62,000 in annual property taxes. On a per unit basis, this is more than many individual home owners pay in property taxes.

We appreciate your consideration of this matter and look forward to discussing it with the Public Works Committee on April 4, 2012.

Sincerely,

Catherine M Lamb, President
3837 On The Lake Condominium Association

December 8, 2011

Lakeside Terrace Condominium Association
3905 Monona Drive
Monona, WI 53716

Dear Marion Urich,

I am writing this letter to you as the contact of record for the Lakeside Terrace Condominium Association. I was recently made aware that the condominium units at this address are receiving curbside solid waste and recyclable materials collection services through the City's contract with Veolia Environmental Services.

Per the Monona Code of Ordinances section 8-3-2(c)(2), refuse collection services are provided to residential properties and multi-family properties with eight (8) or less residential units. Property information obtained from the Access Dane database indicates there are twelve (12) condominium units at this location. Based on this information, I regret to inform you that the units of Lakeside Terrace Condominiums will no longer be receiving solid waste and recyclables materials collection through the City's service contract. The association or units will be responsible for contracting these services with a contractor of your choice, separate from the City's contract, unless a document can be provided to us indicating an agreement for these services.

The City will continue to provide you service through the City's contract until Wednesday, February 29, 2012. The recycling carts will be collected after your last curbside recyclable materials collection in the month of February.

If you are no longer the representative for the association can you kindly pass this letter on to the appropriate contact, or please contact me with this information. I would like to thank you in advance for your cooperation with this matter. Should you have questions or wish to discuss this letter please feel free to call me at (608) 222-2525.

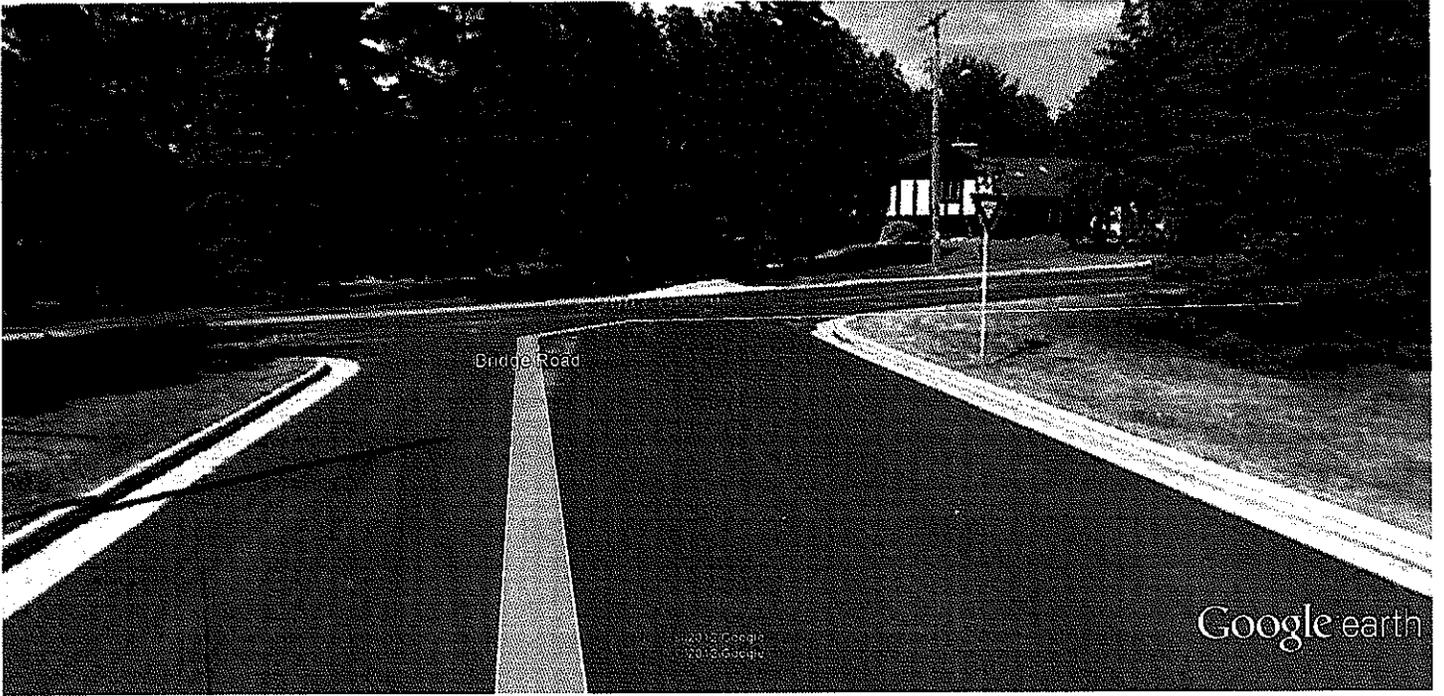

Sincerely,

DEPARTMENT PROGRESS REPORT

April 26, 2012

MONONA DRIVE RECONSTRUCTION

Phase I

- The next landscape and warranty inspection is scheduled for spring 2012, and final walk-through inspection will occur in the fall of 2012. Any needed replacement will be addressed in the spring.

Phase II

- The second phase of Monona Drive reconstruction encompasses the section of Monona Drive from Winnequah Road north to Cottage Grove Road. Reconstruction is now underway. For timely updates please see WWW.MYMONONA.COM. We will provide updates as we are made aware of the news, and after each progress meeting on Tuesday of each week.
- Foth Infrastructure and Environment is the engineering design consultant for the project.
- Pavement type will be asphalt as per recommendation in the Pavement Design report.
- The bid opening for Monona Drive Phase II was held on 2/14/2012. The low bidder was R.G. Huston, the same contractor as Phase I. The low bid was \$3,341,382. Homburg was the second low bid at \$3,742,220.
- The last Public Information meeting prior to construction was held on March 12, 2012 at the Monona Community Center.
- Phase II preconstruction meeting was held on March 29, 2012.

Phase III

- The third phase of Monona Drive reconstruction encompasses the section of Monona Drive from Nichols/Pflaum Road north to Winnequah Road, with construction tentatively set to occur in 2013.
- The Ad Hoc Monona Drive Advisory Committee last met March 16, 2012. Discussion items focused on the real estate update, project schedule and submittals, LED lighting, and pedestrian accommodations during construction. The next Ad Hoc Monona Drive Advisory Committee is scheduled for Friday, May 18, 2012.
- We have coordinated an order with the City of Madison for two LED street lights to be installed on Monona Drive near Nichols Rd. The goal is to determine if the LED light provides adequate lighting compared to the standard street light in Phase I.
- Phase III is nearing 90% design. The utility coordination meeting was on April 17, 2012.

2011 STREET IMPROVEMENTS

- Streets included in the program are Tecumseh Avenue, Neponset Trail, Nishishin Trail, Nishishin Trail NE and Pocahontas Drive, and Oneida Park.
- The project is considered complete. Any cracks in the concrete will be addressed this coming spring, within the warranty period. An inspection is scheduled for April, 27, 2012.

2012 DREDGING PROJECT

- The City has received the Chapter 30 permit (good until 2013) from WDNR for the Belle Isle area channels of the project.
- Cove Circle lagoon is now part of the 2012 Dredging Project. The City has received the Chapter 30 permit for the Cove Circle lagoon from the WDNR.
- The City received bids for the project on February 9, 2012, with results posted on the City website.
- A dredging Public Information meeting was held Tuesday, February 28, 2012 to inform the affected property owners of the preliminary assessments, discuss the bids and project details. A public hearing to present the preliminary assessments and Engineers Report was held on March 19, 2012. The Council did approve the 2012 Dredging Project on March 19, 2012.
- The dredging project is scheduled to begin in September of 2012. Site preparation for sediment storage at Winnequah Park, just north of Nichols Road next to the blue park equipment, is scheduled to begin August 20, 2012.
- The City Council approved low bidder, Veit & Company at the April 16, 2012 Council meeting.

PUBLIC WORKS - OPERATIONS.

- The Yard Waste site at the public works garage opened on March 13th.
- Tree trimming ongoing throughout the spring and summer.
- Street sign maintenance, ongoing.
- Park maintenance activities, ongoing.
- Patching of potholes, ongoing as needed.
- Street sweeping has started for the 2012 sweeping season.
- The April spring leaf collection has started.
- Curbside brush chipping has started for the season.

GIS MAPPING

- Phases I & II Layers: GIS Web training for public works and general staff is complete
- Phase III Scope: water and storm water layers will be further developed, images of all street improvement and utility project as-builts will also be added.
- Additional future layers may include additional Planning Dept. info, Monona Express/Lift routes, Bike Routes, PD & FD routes/statistics, and additional water services, meter data, and valve data.

MISCELLANEOUS PUBLIC WORKS MANAGEMENT AND ENGINEERING

- Lake Edge Sedimentation Basin – basin repairs are scheduled to be completed the summer of 2012. The section of damage on the adjacent private property will not be completed during the pond reconstruction due to current legal issues being addressed through the courts. The City of Madison will be placing the reconstruction plans out for bid on May 25, 2012, with repairs set to begin July 30, 2012.
- February 2012 Recycle Rebate total was \$7,165.25.
