

Qualified Staff

The Day Center's staff members keep up-to-date on issues and trends in adult day care services through continuing education and professional associations.

EMMCA's Mission

The East Madison/Monona Coalition of the Aging (EMMCA) provides social services to help senior adults maintain their independence and life satisfaction.

Home style care in a home like setting

Home Like Setting

The Day Center is located in a lovely house overlooking Lake Monona. The living room, kitchen, indoor and outdoor activity areas are set up much like a residential home but with an added emphasis on comfort, safety and convenience for seniors.

Social Interactions

Staff, volunteers, guests and other seniors provide opportunities for companionship and fun.

Personalized Care

The Day Center's experienced staff members provide individualized attention and programming geared to the needs of each senior. EMMCA's high staff/volunteer to senior ratio provides quality care for each senior.

Engaging Activities

Daily activities may include music, board games, word games, cooking, gardening, arts and crafts, group discussions, special entertainment, and community outings.

Healthy Activities

Daily gentle exercises help seniors maintain flexibility and muscle strength. Well-balanced lunches and snacks help seniors maintain nutritional health.
