

St. Stephens Food Pantry: The pantry is still providing needed groceries. They have adjusted the procedures for obtaining items to protect everyone's health. Please call 441-1123 to notify the staff/volunteers that you will be making a pick up. They have set up a table in a hallway that would require you to come only 15 – 20 feet inside the door. You will announce who you are and volunteer will go and get your groceries and bring them to the table for you.

United Way
of Dane County

The power of many. Working for all.

Meals on Wheels: We offer a mid-day meal providing daily nutrition and safety checks to those in need. All meals are delivered by dedicated volunteers, and made fresh daily by Market Street Diner and Bakery in Sun Prairie, a member of the Food Fight Restaurant Group. Recipients also receive a birthday cake on their special day generously provided at no charge by Carl's Cakes.

SSM Health at Home's Meals On Wheels program provides nutritious mid-day meals, Monday through Friday, to residents of Madison, Middleton, Monona, and Sun Prairie.

Each meal includes a protein, starch or bread, salad or vegetable, fruit or dessert, and a carton of milk. All meals are low in sodium and can be prepared for specific diets

Call to sign up at 800-924-2273

Evening Meals on Wheels
