# FRIENDS

The Friends of the Monona Public Library is a community-supported group founded in 1981 to enhance library services and facilities through activities beyond the scope of the library's regular staff and budget. By joining the Friends you join other concerned citizens dedicated to promoting the value of books, literacy and our community library. We raise funds through membership dues, the Friends' Used Book Shop, our annual Book & Bake Sale and tax-deductible donations to the Friends.

Your membership shows strong support of the Monona Public Library! Friends members are welcome to serve on the Friends Board or to volunteer at any of our fundraising activities. Thank you for your interest in joining us!

Over the years, the Friends have raised thousands of dollars in support of Monona Public Library — for the 2002 library expansion and the 2009-2012 Booked For Life Campaign, as well as providing funds for programs that promote literacy and the love of books and funds for ongoing library improvements.

The Friends of the Monona Public Library are crucial to the success of our community library. Join today to support great programs, special collections and those extras the library couldn't provide without the financial support of their Friends!
