

# Come Take Part In Local E-Cycle Events Happening On This Earth Day Weekend

These two events are happening  
in our area so if you have old  
electronics and want to donate  
to a good cause please gather  
your things and get out to  
one of these locations!

## Turn in your old, unwanted electronics

Members of Boy Scout Troop 210 are spearheading an electronics recycling drive from 8 a.m. to 1 p.m. Saturday, April 30, in the parking lot of Piggly Wiggly, 421 Cottage Grove Road.

They will accept computers, laptops, monitors, printers (laser or ink), toner and ink cartridges, hard drives, keyboards, stereo

equipment, TVs, DVDs, VCRs, cell phones, circuit boards, batteries, power cords, fax machines, scanners, ballots, appliances, lawn and garden equipment, and anything with a cord or battery.

Most items will be accepted at no cost; however, there is a \$25 disposal fee for TVs. Suggested donations for other elec-

tronics are \$5 for small items and \$10 for large items. Extra donations will be appreciated.

There is limited pickup available in the village the week of April 25. Text 608-514-1747 to arrange.

This event is sponsored by Boy Scout Troop 210, 1-800-GOT-JUNK and Cottage Grove Piggly Wiggly.

eRecycling  
made easy.

We'll recycle your  
old tech—  
safely, securely  
and responsibly!

Introducing CyclePoint™ from SourceAmerica®, the nation's new eRecycling network that creates sustainable jobs for people with significant disabilities.

Questions? Call 608-273-3630 or visit [marc-inc.org](http://marc-inc.org).
