# HOW IT WORKS

Read books, e-books, magazines, or listen to audio books that you check out from Monona Public Library.

Record the title/author/pages/time read on reverse side.

This form is complete after 400 pages or 4 hours.

Return completed Reading Log to Monona Public Library.

Readers who turn in a completed reading log will receive a Starbucks Sampler Bag (one per person, while supplies last).

Readers will be contacted after June 15 to pick up their prize. All completed reading logs must be turned in by August 31.

Finished your reading log? Keep reading and fill out Overtime Tickets, available at the library, for more chances to win great prizes, such as gift certificates and library bling!

Prizes available 6/15 through 8/31, while supplies last.

All completed Adult reading logs will be entered into a random drawing for an iPad Mini 4, compliments of Friends of Monona Public Library and the Madison Monona Lioness Club. One entry per person. Drawing will be held in early September.

A huge thank you to our sponsor! Please support them:
