

Monona Senior Center Presents...

Wisconsin Wine Trails

Driftless Area

Thursday, October 17th, 2019

Our first stop of the day will be at **Weggy Winery**. Here we will enjoy the largest wine tasting in the Midwest with over 35 different wines to choose from. We will get to see how the wine is made as we take a tour. Wine sales and production for the Weggy Winery take place in what used to be a 1935 dairy barn. Next, we will make our way to **Borgens Norwegian Café** for a buffet lunch featuring their signature homemade

Meatballs, Sides and Dessert! The décor is old-world Norwegian with gnomes and rosemaling on the walls to delight their visitors. After lunch we will go to **Vernon Vineyards**. Experience local wine with a view at Vernon Vineyards. Located atop an ancient ridge in the heart of the Driftless, all wines at Vernon Vineyards are grown on the rolling hills of the estate. They make all of their wines with estate-grown and local Wisconsin grapes. From the Eagle Eye blush wine and the North Fork white wine to their famous Juliet wine crafted with local cranberries and grapes, they'll help you find your new favorite wine. Our last stop of the day will be at **Whispering Winds Winery**. Located in a scenic valley in Grant County, the core values of Whispering Winds Winery are keeping it classic, pure, and simple.
